

Project: Technical assistance to improve implementation of food safety standards and disease crisis preparedness

Training course:

Trainings on EU requirements for import and trade of animal products

EXCERCISES

Lecturer: Dr. Jellen GOOSSENS

Date: 14 October 2022

Place: Nicosia, Cyprus

*Project funded by the European Union within the scope of the Aid Programme for the Turkish Cypriot community,
implemented by the NSF Euro Consultants Consortium*

Disclaimer: This presentation has been produced with the financial support of the European Union. Its contents are the sole responsibility of NSF Euro Consultants Consortium – Contractor, and do not necessarily reflect the views of the European Union.

EXERCISE 1

Who decides on eligible countries for import?

1. Importing country
2. Exporting country
3. World Trade Organisation
4. EU Commission
5. Member States on proposal of EU Commission

EXERCISE 2

- **What condition does a third country need to fulfil?**
 1. Equivalent legislation
 2. Veterinary Service in charge of official controls
 3. Acceptable Animal health status for the relevant species
 4. Accepted residue control plan
 5. Approved establishments
 6. Using the mandatory health certificates

EXERCISE 3 - Fresh meat

1. Is it allowed to cover with one certificate fresh meat from different species produced in the same establishment?
2. Is it necessary to have two different certificates if the animals are slaughtered and cut in different approved establishments and dispatched from the last one?
3. Is a shipping list required and what should it contain in the above described situation?

Please always explain why

Exercise 4

ON CERTIFICATE

Chilled Beef meat from Argentina Est. 1014

Arrived in BCP: 10/10/2016

Certificate signed: 1/10/2016 and departure on same day

Packing list mentions same amount (18.862kg) as on the certificate, originating from **Est. 1014**

Exercise 5

A51E6B5B.pdf

- **Documents:**
 - CHEDP part 1
 - Health certificate (7 pages)
 - Transport document (bill of lading) (2 pages)
 - Packing list
- **Questions:**
 - Looking at the documents:
 - What is this product and where is it from?
 - Looking at the pictures of the product, what is this product?
 - What is wrong with the health certificate?
 - What action would you take and why?
 - How could you check this is a valid certificate?

- General questions
- Regarding the 'additional declaration' on page 7 of the document pack, this gives guarantees concerning animal protection at the time of slaughter. Where required it is normally included in the text of the health certificate?
- Which certificates require this declaration – Fresh meat / Meat preparations / Meat products?
- Regarding the 'additional temporary declaration' on page 8 of the document pack, what products is this required for and what is the legal basis for requiring this document?
