

Project: Technical assistance to improve implementation of food safety standards and disease crisis preparedness

**Training course: SimEx 6 Agenda, CP, OM and SOP  
in the event of FMD in bovine animals**

Lecturer: Blagojcho Tabakovski

Date: April 2024

Place: Nicosia, Cyprus

*Project funded by the European Union Aid Programme for the Turkish Cypriot community,  
implemented by NSF Euro Consultants Consortium*

*Disclaimer: This presentation has been produced with the financial support of the European Union. Its contents are the sole responsibility of NSF Euro Consultants Consortium – Contractor, and do not necessarily reflect the views of the European Union.*

# CONTENT

- General
- Agenda
- CP for FMD
- OM for FMD
- SOP general and specific

# General

- Simulation exercise on FMD in bovine animals
- Two day
- Second-day farm visit
- Scenario
- Playing roles

# Agenda – day one

- Morning session

- Short overview of the Contingency and need for Sim-ex
- Presentation on the new concept CP, OM, SOP
- Early notification and respond in context of FMD
- Epidemiological investigation of FMD in bovine animals
- Measures in case of FMD
- Killing of animals
- Safe disposal
- Vaccination in case of FMD
- A sampling of bovine animals in the case of FMD

- Afternoon session

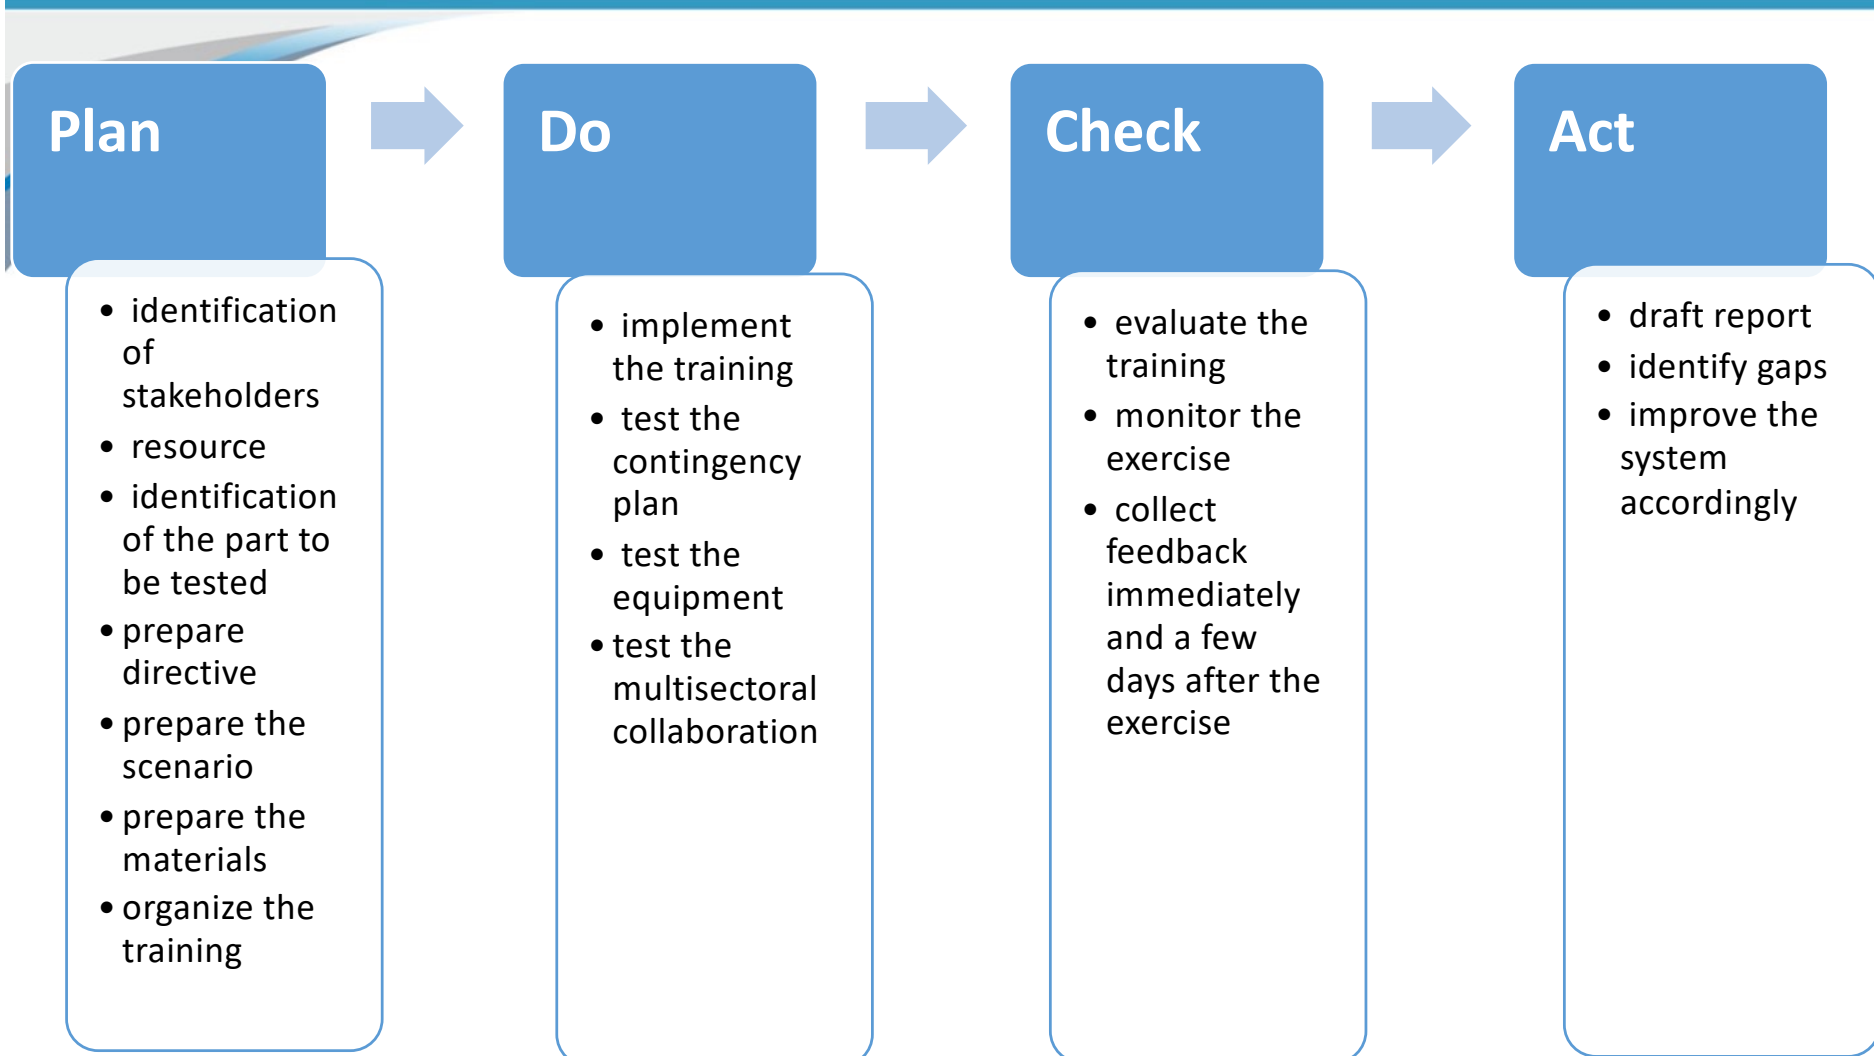

- Establishing 2 groups of LDCC
  - receive notification
  - collect the information and prepare for the briefing
  - propose and select the stakeholders
  - propose the measures

# Agenda – day two

- Morning session
- Farm Visit
  - Biosecurity when entering the farm
  - Clinical investigation of animals
  - Selection and collection of samples
  - Epidemiological investigation
- Presentation for the killing of animals
- Afternoon session
  - Establish the 2 group
  - Propose the measures and plan of action
  - Presenting the results of the epidemiological investigation
  - Development of a depopulation plan
  - Development of a plan for cleaning and disinfection

# Sim – ex, testing the preparedness

# Rules of the sim-ex

- Exercise - exercise - exercise
- Stop – pause
- CDCC and LDCC - Communication over the phone
- Materials delivered by the facilitator
- Facilitator roles

# CP, OM and SOP - concept

## CP for FMD (all susceptible species)

- OM – for FMD
- SOP – for notification
- SOP – biosecurity when entering the farm
- SOP – Epidemiological examination
- SOP – Sampling
- SOP – Killing
- SOP – Safe disposal
- SOP – Cleaning and disinfection

- Legal frame
- Responsibilities for updating communication and dissemination of the CP
- Strategic policy
  - Stamping out
  - Case definition
- Alert levels
- Roles of the Stakeholders
  - CDCC, LDCC, EG,
  - Laboratory
  - Other

- Chain of command
- Resources
- Measures in case of suspicion
- Measures in case of official confirmation
- Supervision
- Communication and awareness
- Training
- Vaccination
- Annexes

# OP – for FMD

- Legal frame
- Responsibilities and authorization
- Chain of command
- Action in case of suspicion
- Action in case of official confirmation
- Establishing of zones
- Additional surveillance
- Lifting restriction
- Vaccination
- Annexes
